

**The Chrysler Museum of Art** is proud to present the astonishing collection of Torah pointers assembled by Jay and Clay Barr of Norfolk. The Guiding Hand: The Barr Foundation Collection of Torah Pointers, on view March 24–Aug. 14, is the first exhibition of Judaica at the Chrysler in several decades and focuses on a single type of Jewish ritual work of art, the Torah pointer. The exhibition will include approximately 150 Torah pointers, or yads, from the Barr Foundation collection that range in size from a few inches to over two feet in length.
